A note from Alicia...

Can you believe that Christmas is fast approaching? Along with Christmas, so too is the end of the year! Benefits for this.... besides the Christmas break? It is a great time to think about snatching up the young, enthusiastic kids that come out of school, before other employers do! I have been out and about talking to year 11 and 12 kids all year about entering into the timber industry and looking at the great traineeships and apprenticeships we have to offer. There has been a keen interest from students, particularly in the areas of wood machining, manufacturing and warehousing. If you would like to start a young trainee or apprentice either now or in the near future, please give me a call on 3847 4637.

Timber Golf Day Report

by Alan Jones & Peter Mort, Hoo Hoo

Friday, 26th September, saw another successful Golf Day at Gainsborough Greens. The golf finished with an enjoyable lunch and many laughs generated by well known comedian, Fred Lang.

Once again the beneficiaries of the day are various Childrens' Charities which Hoo Hoo Brisbane Club 218 has supported over many years. We sincerely thank all of the team participants, firms and sponsors for their outstanding support for this, our Annual Children's Charity Golf Day.

The weather was perfect, and Gold Sponsor, Bryan Byrt Ford Upper Mt Gravatt, commenced the day with an excellent BBQ breakfast prepared by Peter and Imre. Check out page 4 of this newsletter for their current RANGER special.

The day would not be as successful if it were not for the sponsors and firms who entered teams on the day. Nineteen (19) teams enjoyed the Golf; fraternalism, camaraderie and social activity as well as the ambience of Gainsborough Greens Golf Course and Club House. However if it were not for the AFL Grand Final the next day and school holidays, many more teams would have participated. A tentative booking has been set down for May 2009 for next year's event. Hoo Hoo Brisbane Club 218 wish to thank everyone who assisted in making this Annual Event another success. The Event raised approximately \$8,000, which will benefit many disadvantaged children.

Special thanks to our sponsors:
